150-MILE PADDLE CHALLENGE

BEYOND THE TEAMS

“We are at our Best when we are helping others become their Best!”

Beyond the Teams (BTT) is currently planning a Outrigger Canoe Challenge from Key West Florida to Miami, Florida to raise money for Charity in late May of 2022.

This a precursor to a longer Challenge (stage race in 2023) Like our 300-mile Outrigger Challenge we conducted in May 2021 from Key West to FT Pierce. We will be raising funds for the Trident House Charities, under the umbrella of US Navy SEAL Museum.

Anybody who's participated in one of our previous events, to a person, they will tell you that it was a positive, life-affirming pursuit.

- **This is worth doing. Period. You will not regret the time you invest!!!**
- **It's a Great Feeling to help others**
- **This unifies teammates that give & participate**
- **You will be personally fitter.**

WE NEED paddlers, clubs, water confident, swim comfortable, ocean respectful paddlers for this event. We need them to each have support crews and an escort boat each for each OC6 entered. The will be two weekend paddling clinics scheduled for weekends of 20 May and 27 May in Key West and Miami respectfully.

The 150-mile Paddle Challenge will be conducted 23-26 May 2022.

This not a race. It's a fundraiser.

WE need paddlers to help grow awareness of our cause , make it their cause, raise funds for Trident House Charities, and promote the sport of Outrigger Paddling.
